

Luxempart S.A. (www.luxempart.lu) is a Luxembourg-based investment holding company listed on the Luxembourg Stock Exchange with a net asset value of approximately EUR 1.9 billion. The Group has since 1988 invested in and managed a portfolio of investments in listed and non-listed companies primarily headquartered in Luxembourg, Belgium, France and the DACH region (Germany, Austria, Switzerland), seeking to enhance the value of these companies through an entrepreneurial and supportive approach. Luxempart has stable and involved family shareholders with industrial background. Its shareholders and management believe in value creation through patient involvement, European mind-set and ambitious team spirit.

Due to Luxempart's continued profitable growth, the Group is recruiting for its Luxembourg office an

INVESTMENT ASSOCIATE (M / F)

As an Investment Associate, you would be supporting the team on both the sourcing and analysis of new investments, as well as ongoing analysis and management of existing investments. Luxempart's Direct Investment approach has a fundamentally driven research process which looks in-depth at companies, their industries, peers and competitors. Working in a small, transparent and entrepreneurial team, with a flat organisation structure, you would be expected to be self-motivated and develop your knowledge of the investment process quickly.

YOUR MISSION

- Collect, organise and analyse qualitative and quantitative information on companies and industries.
- Produce and update financial models (business plan, reporting/financial statements, valuations)
- Identify and participate in due diligence tasks of potential new investments.
- Write investment reports and presentations for the decision-making process.
- Prepare and update status reports on portfolio companies.
- Attend management meetings and site visits.

YOUR PROFILE

- Degree from a reputable university, ideally in economics, business or finance. CFA studies ongoing or completed would be advantageous.
- 2-5 years' company, industry and market analysis/equity research experience gained in M&A, Big 4, private equity, investment banking or asset management.
- Genuine interest in active ownership of small and mid-cap companies from the perspective of a business owner rather than a passive investor.
- Ability to gather information from various sources and draw conclusions on the investment case and valuation.
- Knowledge of financial statements and forecasting, and different methods of company valuation.
- Basic awareness of business models, strategies and competitive positioning.
- Numerate, good knowledge of Microsoft Excel.
- Rigorous, flexible, precise, well organised, strong team player, excellent verbal and written communication skills, able to work independently and in an international environment.
- Fluent in English. French and/or German would be advantageous.

LUXEMPART'S OFFER

- A challenging cross-functional and rewarding management role in a dynamic and professional business environment;
- Stable, entrepreneurial shareholder basis who seeks to build on a long-term relationship with its team members;
- Competitive remuneration package;
- Diversified and international work experience;
- Small and cohesive team allowing to rapidly take on responsibility;
- Access to training; and
- Great working environment with ample opportunities for personal and professional career development.
